The pay-to-play law addresses political contributions made by business entities that are party to or are attempting to enter or receive contracts with New Jersey government entities. The law also mandates the reporting of contracts and any political contributions.

What contracts are subject to Pay-to-Play restrictions?

Any of the following contracts that are in excess of \$17,500 that are NOT awarded through a Fair and Open Process:

- Any State contract
- Any State redevelopment agreement
- Any Legislative contract requiring approval by a presiding officer of either or both Houses
- Any County or Municipal contract

This webinar will explore the new laws impacting pay to play as well as reviewing the various processes for pay to play compliance.
