What is the Purpose of Green Purchasing?

- Reduce carbon footprint
- (Lyons) Reduce negative impact of health and the environment
- Waste Reduction
- Increased worker safety
- Long term reduction in labor and purchasing costs
- Conserve resources

This seminar will focus on Green Purchasing in today's realities. Philosophically most local governments would like to believe in Green Purchasing. The realities and applications of these philosophies may tell a different story. This seminar will focus on the local realities of Green Purchasing and the small differences local governments can make to help fulfill the global Green Purchasing ideals.

Presenter: Susan Jacobucci, Esquire, Former Director DLGS
