10:00am–12:00 pm Webinar Timetable Fee \$50 per person

This webinar will explore some of the assumptions and realities about government ethics. It will review recent cases and laws and how the challenges of the 21st century are impacting our ethical decisions in our government jobs.

Ethics often describes the investigation and analysis of moral principles and dilemmas. Traditionally, philosophers and religious scholars have studied ethics. More recently, scholars from various disciplines have entered the field, creating new approaches to the study of ethics such as behavioral ethics and applied ethics.

Some philosophers make a distinction between ethics and morals. But many people use the terms ethics and morals interchangeably when talking about personal beliefs, actions, or principles. For example, it's common to say, "My ethics prevent me from cheating."

Presenter: Susan Jacobucci, Esquire, Former Director of the DLGS

CLAIMANTS CERTIFICATION & DECLARATION

I do solemnly declare and certify under the penalty of the law that the within bill is correct in all its particulars, the articles have been furnished or services rendered as stated herein, that no bonus has been given or received by any person or persons within knowledge of this claimant in connection with the above claim and that the amount charged is a reasonable one.

Just send your check with the application form!
You do not need to send us your Voucher for a separate signature since the presigned certification on the left can be attached to your voucher in lieu of sending it to us for a signature. This form has been determined by DLGS to meet the requirements of the statutes for this type of expenditure.
